

SECTION 01 1116

WORK BY OWNER

LANL MASTER SPECIFICATION

When editing to suit project, author shall add job-specific requirements and delete only those portions that in no way apply to the activity (e.g., a component that does not apply). To seek a variance from applicable requirements, contact the ESM General POC.

When assembling a specification package, include applicable specifications from all Divisions, especially Division 1, General Requirements.

Delete information within "stars" during editing.

Specification developed for ML-3/ML-4 projects. For ML-1 / ML-2, additional requirements and QA reviews are required.

PART 1 GENERAL

1.1 SECTION INCLUDES

- A. LANL furnished equipment for Contractor installation (GFE).
- B. LANL furnished and installed equipment.
- C. LANL performed work.

1.2 DEFINITIONS

- A. Government Furnished Equipment (GFE): Term used in Contract Documents to refer to LANL furnished property, products or in general to describe any LANL furnished equipment for Contractor installation.
- B. Provide: Term in all Spec Sections means Contractor shall furnish and install.

1.3 LANL FURNISHED EQUIPMENT FOR CONTRACTOR INSTALLATION (GFE)

- A. LANL will furnish as free issue Government Furnished Equipment, identified in Contract Documents as GFE, to be installed by the Contractor in the work or used in its performance.
- B. LANL will deliver GFE to project site except as noted in technical spec sections. (e.g., LANL Materials Management Group may require the Contractor to receive material at the TA-3 warehouse).
 - 1. Notify Contract Administrator, in writing, 5 calendar days prior to desired date of delivery.
- C. Upon receipt, verify quantity and condition of GFE. Report any shortages or damages in writing to Contract Administrator within 24 hours.
- D. Install or incorporate all GFE into the work unless otherwise noted. Uncrate, assemble, perform all prestart-up activity, and place in operation all GFE as recommended by the manufacturer(s).

1.4 LANL FURNISHED AND INSTALLED EQUIPMENT

- A. LANL will furnish and install equipment identified in Contract Documents as “by LANL”, and will coordinate work with the contractor.

1.5 LANL PERFORMED WORK

- A. LANL will perform work identified in Contract Documents “by LANL”, and will coordinate work with the contractor.

PART 2 PRODUCTS

Not Applicable.

PART 3 EXECUTION

Not Applicable.

END OF SECTION

Do not delete the following reference information:

FOR LANL USE ONLY

This project specification is based on LANL Master Specification 01 1116 Rev. 0, dated January 6, 2006.
